Don Schonhardt, Mayor

Steve Mazer, Director

The City of Hilliard has two outdoor swimming facilities that operate seasonally from Memorial Day weekend through Labor Day.

A pool membership is valid at either pool.

The Hilliard Family Aquatic Center has undergone major construction since 2006 and new water features have been added including: two 30-foot water slides, a 25-yard competition pool, an interactive leisure pool which includes a play structure and a 450-gallon dumping bucket, a 560' lazy river with water attractions, and the nationally recognized main pool (originally built in 1974) which has undergone a transformation of its own!

All of these additions and upgrades make

HFAC one of the largest outdoor

Municipal Complexes in the State of Ohio!

The Hilliard **East** Pool (renovated in 1990) includes a leisure pool with a 10' water slide and a separate wading pool. The East Pool received a "building face lift" in 2010 and we are proud to show this off on opening weekend in 2011!

**Both pools open May 28, 29 & 30 (closed May 31-June 2)
and re-open for the season at 3:00PM on June 3, 2011.**

Hours at both pools may be reduced or eliminated based on staffing and weather conditions once Hilliard schools are back in session for the 2011/12 school year.

Hours listed above are for the main pools only at both locations.

Both pools close for the season on Labor Day, Monday, September 5, 2011.

General Information

Please read carefully!

Fair Share Policy

The City of Hilliard Recreation and Parks Department is largely financed through city income tax dollars. Therefore, to be considered a "City Resident" in our registration process, you must live within the city limits of Hilliard. "School district resident" is for those who reside within the Hilliard City School District boundaries but outside of the Hilliard city limits. "Non-resident" applies to all others. Even though you may have a Hilliard mailing address or live within the Hilliard City School District boundaries, you may not live inside of the Hilliard city limits. We ask for your understanding when registering.

Those registering for a program are asked to provide current verification of residency. Hilliard city and school district residents will receive a user name and password for on-line registration purposes once verification of residency has been established (must update annually).

Hilliard city and school district residents have the first opportunity to register for classes and programs. Registration for non-residents is open two weeks after the initial registration date (on-line registration is not available for non-residents). The fee for a pool membership is determined by the place of residence at the time the membership is purchased.

Annual memberships are issued for the current season.

Children two years of age and under as of June 1 are not required to have a membership. Children turning three before June 1 of the current season must have a membership or pay the daily admission fee at the pool entrance.

A family is limited to two adults, and one or more children under the age of 21, all living in the same household. Both adults must provide verification of residency before cards will be released.

Membership Add-On

As an additional benefit to pool members, each household has the option of adding up to two additional guests to their membership package. Add-on guests are un-named and are attached to the primary household for which the membership was purchased and the primary household is responsible for the conduct of their guests. Only city and school district residents have the add-on opportunity. The primary household member(s) must meet the residency requirements to receive Hilliard City or Hilliard School District rates. If an add-on pass is forgotten, the guest is required to pay the daily admission (we do not look up add-on passes for daily admission).

Public Use Fee

Persons having moved into the Hilliard School District (outside the city limits) into a single or multi-family residence constructed after May 17, 1992, are required to pay a \$200.00 public use fee prior to purchase of a pool membership. Hilliard city residents (or developers) have paid the same fee since an ordinance was passed in 1986. Proof of the closing date and fee payment will be required. This fee must be paid before a 2011 membership can be purchased. School district residents exempt from the public use payment must provide verification that their home was constructed prior to May 17, 1992. This is a one time fee that stays with the address (transferrable to the new owner if the home changes title).

Income Tax Verification

Those persons who pay a minimum of \$150.00 income tax to the City of Hilliard between January 1 and June 1 are eligible to receive the City resident rate for their pool membership. The city resident rate is only valid for the pool membership. Rates for all programs, including swim lessons, are based on residency. Current year pay stubs are the only form of verification accepted for income tax verification. Pool membership cards will be held or remain inactive until verification of income tax payment is provided.

Refund/Transfer Policy

Refund requests and/or transfers must be submitted in writing and are made only for one of the following circumstances and may reflect a \$5.00 processing fee:

- **Pool memberships are non-transferable and non-refundable.**
- When a swim lesson refund/transfer is requested at least seven (7) days in advance of the first class.
- When documentation is presented for an approved hardship situation (relocation outside a 25-mile radius of the Community Center or a medical restriction), documentation is required.

Membership Cards - Please Read!

Membership cards are not reissued each year. Keep your card from season to season to avoid being charged a **\$15.00 replacement fee/card**. Membership cards are to be used only by the individuals listed on the membership form. Those found misusing passes will be subject to having them revoked for the entire household (primary household members are responsible for add-ons). **Persons forgetting to bring their card to either pool will be "looked up" on the computer twice. On the third time of forgetting to bring your membership card, you will be asked to purchase a replacement card at the Community Center for \$15.00. We ask for your understanding of this policy - because we do not require photos, the actual card is the only way to show that your membership is current.**

Military Discount 10% Off!

Special discount for active duty military personnel and their immediate family. Identification must be provided to receive discount.

Inclement Weather Policy

- The City of Hilliard reserves the right to close one or both pools in the event of inclement or cool weather.
- If thunder can be heard, the presence of lightning is actual. All guests and staff will be asked to clear the pool area at the first sounding of thunder or sighting of lightning, and the pool will remain cleared until 30 minutes after the last sounding of thunder or sighting of lightning, and the sky is no longer dark or threatening. **ALL** weather related decisions are made at the discretion of the pool management.
- Because we cannot predict the weather, guests paying the daily admission (or dropping off children) should take special note of the weather conditions before they enter the facility.
- Rainchecks are only issued in the event facility closes for the day.

Private Pool Parties and Rental Information

Both pools are available for private rental use when the pools are closed (typically after hours). Rentals should be scheduled through the pool offices once the pools are open for the season or at the Community Center Office prior to the pools opening for the season. SPACE IS LIMITED!

Group Policy for Daycares and Daycamps

Daycares and daycamps bringing groups of children into the facility are required to adhere to and sign a new group policy concerning the ratio of adult staff to children and supervision expectations while inside the facilities. For additional information, contact Megan Goudy or Heather Ernst at 876-5200.

Water Slide Height Requirements

There are height restrictions for the water slides at both pools. Differing height restrictions are due to differing water depths at the base of each slide.

All users must be 6" taller than the water the slide empties into.

EAST pool slide:	48 inches or taller
HFAC blue slide:	42 inches or taller
HFAC red & yellow slides:	48 inches or taller

Parents are not permitted to catch riders at the bottom of the slide or to reach into the area to provide assistance. Riders should be in good health and able to exit the landing area unassisted. No floatation devices or goggles are permitted on the water slides. Lifeguards may ask children who are not able to swim independently not to use the slides, regardless of height.

While you are at our facility:

- Children 9 years of age and younger must be accompanied by a responsible person at least 12 years of age.
- Parents are responsible for the supervision of their children. **Supervise your swimmers at all times and know where they are while inside the facility. Understand that lifeguards are on duty to enforce rules and respond to emergencies - not to supervise children.**
- Rest periods are called 15 minutes before each hour. Certain pools may require "clearing the pool" for rest period earlier than 15-minutes before each hour to allow for an adequate rest period/break for swimmers (the lazy river at HFAC).
- During rest periods, adults are permitted to swim with children 2 years of age and younger, within an arm's reach (except for in the leisure pool at HFAC, which is closed).
- No glass or alcohol is permitted at either pool. Coolers brought into either facility are subject to inspection.
- Inflatable toys or inflatable floatation devices are prohibited.

Providing all of our customers with sanitary water is of upmost concern, and we all have a responsibility to do our part to maintain good water quality:

- Swim diapers are required for all children who are not toilet trained. They are sold in the front office at both pools.
- For the protection of all of our bathers, please do not bring sick children to the pool until they are symptom free for at least 24 hours.
- Please do not change diapers pool side. Use the restrooms!
- Bathers should take a shower before entering the water.
- Please notify the pool managers or a lifeguard immediately if your child has an accident in the water or on the pool deck and do not try to clean it up yourself!

If you have any questions or concerns about the standard of the water at either facility, contact Megan Goudy or Heather Ernst at 876-5200. For additional information, please visit www.cdc.gov/healthyswimming.

How to Register for Swim Lessons

SWIM LESSON REGISTRATION BEGINS
FEBRUARY 1, 2011 AT 9:00AM
FOR CITY & SCHOOL DISTRICT RESIDENTS!

1 REGISTER ON-LINE!

Visit the Hilliard Community Center during the hours indicated on the front page to fill out a "Verification of Residency" form.

You must provide current verification of residency (check, current utility bill, etc.). **IF YOU ARE A POOL MEMBER, YOU DO NOT NEED TO RE-VERIFY YOUR ADDRESS. YOUR MAIL-IN POOL MEMBERSHIP FORM AUTOMATICALLY UPDATES YOUR HOUSEHOLD FOR ONE YEAR.**

Once you have established your household and provided verification of residency, we will e-mail you (within 72-hours) a user name and password so that you can register on-line at:

www.HilliardOhio.gov. Once you have logged onto the City's web site, log onto "Hilliard Recreation and Parks Online Registration" and sign in. Once you have signed in, you can search classes by clicking on "Search" then clicking on "Activity."

2 REGISTER IN PERSON!

Visit the Hilliard Community Center during the hours indicated on the front page!

SWIM LESSON REGISTRATION BEGINS FEBRUARY 15, 2011
AT 9:00AM FOR NON-RESIDENTS! (*walk-in only*)

*Spread the word, inform yourself on prevention techniques, and help **PREVENT DROWNING**. Drowning can occur in a matter of seconds and can happen when you least expect it. Please read our rules carefully.*

SESSION 7	AUGUST 1-4	EAST: 10AM, 11AM, 7PM	HFAC: 10AM, 11AM
SESSION 8	AUGUST 8-11	<i>Adaptive Aquatics</i> EAST: 11AM	

All levels are offered during every session, except for SESSION 8, which is Adaptive Aquatics only!

Program Information:

- The program is goal driven with an emphasis on swimming as a lifetime sport for health and fitness. Participants move through the levels at their own rate as they acquire the objective goals. Some skills take longer to master than others, and the program is designed to be self paced. Body size and muscle control can play a huge factor in how quickly certain skills are mastered.
- Children enrolled in swim lessons must be 3 years old by June 1 of the current year and fully potty trained. It is important that participants meet both of these requirements in addition to being able to participate in group lessons. This will ensure a more positive first time swim lesson experience for young enrollees.
- Due to the fact that various children advance through the levels daily, the swim instructors change as the needs of the program change. Please view these changes as a positive change because children respond differently to different coaches, and a new instructor may have a new idea to motivate your child to accomplish their goals.
- Please make a note of your child's class time and date when you register. Reminder cards are not mailed!
